Floridians Stand Together To Show We Are
Complacent No Longer!*

Uniting for America

**August 22, 2009 6pm– 8pm
Lake Eola Amphitheater**

Join us on August 22, for the Uniting for America event at Lake Eola to educate, motivate and mobilize the Silent Majority as to how YOU can create change. On

March 21, over 5000 Floridians joined to voice our displeasure with the politicians in Washington that seek to dilute our liberties and weaken our nation with their destructive policies. On August 22, we will mobilize conservatives to stop such legislation in it's tracks.

The event will be hosted by the talented Lloyd Marcus and will offer reputable speakers offering information about the most pressing national issues including H.R. 3200 healthcare bill, cap and tax, immigration, state sovereignty and the history of our founding fathers. We will also provide booths and speakers that will give you the information, resources, motivation and the confidence to become politically active and make YOUR voice heard.

It's time to take back our country!
